

CG-1600 230/400 VAC

Centrifugal · 4 kW · 1,600 l/min

DIESEL

CG-1600 230/400 VAC · 1,600 l/min **022500000**

- Single impeller centrifugal pump, medium sliding high delivery with 4" delivery openings
- It is suitable for the fuel transfer
- Flow according to manometric height: from 600 to 1,600 l/min
- Maximum height: 17 m
- Consumption: 15/8.8 A
- Motor: 4 kW 230/400 VAC 50 Hz
- 2,900 rpm
- Thermal protector
- Insulation Class: F
- IP-44 protection
- Maximum operating pressure: 1.7 bar
- Liquid temperature: -20 ºC to +50 ºC

Size and weight (approx.):

- Dim.: 480x250x330 mm (LxWxH)
- Weight: 41,1 kg
